- "Unique ARPGs Doesn't Dispel the Feel of Other ARPGs" - "MAJOR REVIEW(Open World)DESCRIPTION: Game usually release in a half-year after its announcement. And i still play whenever i can. I dont really mind playing this game alone. The unique story of this game is Amazing, the character of the main protagonist(Magic Knight) and the graphics of this game is also unique. Even if you only run this game, you could still get used to the game's basic settings and controls. One of the biggest points that i look for is how everything for the game is being captured. The part that i enjoyed the most for a Fantasy RPG is the story. the story runs for a long time and i still look forward to the continuation. If you only to spend some time in this game, i recommend playing for at least an hour. I will not rate this game because i will always be playing this game whenever i can. I simply dont play other game unless im bored. " - Kahlee Lynn GAME COURSE(Gacha)DESCRIPTION: I Like the Game(Mostly Combat) - "Get used to the Game and Get Used to the Game's Procedural system. - Strategy Game(If you dont Like Strategy Game, for you, just forget about it) - And even if your top is later than mine, me and you can spend a good time together" - Sunster GAME COURSE(Full Body)DESCRIPTION: The Game's GUI is simple but THE STORY IS GREAT! - "Get used to the game's procedural system and stop whining. I enjoyed a lot the story. the story has something really awesome, like the connection between the elves and the other races in the lands between. you could see the various kind of different encounters and feel the feeling of the serious people. i expected a lot more from this game, but, i'm just very satisfied with the story. I highly recommend the Game for those who are interested in fantasy and fantasy-type of games.
